Some of the benefits of Organic Cocoa Body and Facial Treatment include:

Designed to soothe, calm, heal and nourish dry skin. Cocoa can protect your body and help counter the typical age-related decline.

Rich cocoa offers skin protection. Cocoa butter is high in fatty acids and hydrates the skin deeply.

Ideal for hypersensitive skin, cocoa butter has been noted to help skin irritations such as eczema and dermatitis.

Aids in the appearance of dry skin, stretch marks, sun damaged skin. Cocoa butter is widely noted to help reduce stretch marks, especially beneficial to pregnant women and may help in healing scars.

Cocoa butter is high in antioxidants, which help fight off free radicals. Free radicals are causes of skin stressors and signs of aging. As a potent antioxidant, cacao can repair the damage caused by free radicals.

Cocoa can boost your mood and promote a sense of well-being releasing the same chemical that is released when we experience deep feelings of love.

It is rich in minerals: magnesium, iron, potassium, calcium, zinc, copper and manganese.
